

Dear and Family,

June 2, 2015

We are very grateful to every church and every individual that prays for our ministry here in Jamaica, NY. It is a place every pastor should visit and Christian should experience!

March was a very busy month for us. We were still having snow fall in March, although not like Boston. **Solomon** and **Sumara** began coming, who were reached by **Simon Jacobs**, a missionary to **Pakistan**. Also some friends of theirs, **Edwin** and **Mahreen**, who are also immigrants here from Pakistan. Their first baby, **Felix**, was born in April! These two families had good Bible training in Pakistan and are now attending church with us. They have stayed with friends here whose daughters, **Carol** and **Sharol**, are faithful each week! **Denise** and **Gladys** are a married couple coming who have become very faithful. Pray for all these to continue coming and get involved. We encourage people to be committed and Iesha and Jennifer are two ladies that took the responsibility of the morning nursery. Growth is steady and we praise the Lord for it! I continued in my healing in February and March from the fall. Head injuries sure take a while. Also with an annual checkup my Endocrinologist found I had an under active thyroid. The medicine for this has helped. Thank you so much for the prayers!

April was a time of reviving and refreshing! On Resurrection Sunday we baptized **Ashley Schwartz**. **Ashley** was born here, but her mother **Anne** is from **Guyana**. Anne now works in our Primary Children's Church. **Ashley** is in college now and not timid at all about her faith, standing up for Jesus in class! A week later we began our Spring Revival with **Pastor Rick Dawson**, our new sending church pastor. We also had our **Youth Conference** that week for three days in the daytime. **Evangelist Joe Kaiser** came to preach with **Bro. Dawson** for the Teens. He works with **Northeast Baptist Vision** to help churches here in the Northeast. One day **Bro. Kaiser** said, "You need a new ceiling in your church and we are going to do it for you!" Later in April we had our auditorium ceiling put in with new lights. It is beautiful! We will get a new ceiling done this month in the other two rooms and hall area near our bathrooms. Isn't God good! We travelled to Springfield, TN for our **BIMI Field Conference** which we have every two years. It was such an encouragement to be with the good folks of **Providence Baptist Church** who hosted the conference. **Bro. David Price** preached, and also **Dr. David Snyder**, **BIMI President**, who were both very encouraging and refreshing.

May was exciting in many ways. We had our annual **Mother-Daughter Banquet** that is catered and the men and teen boys served the ladies on that special night. On May 13th I preached **Nathanael's** graduation in Marshall, MO. **Calvary Baptist Church** has helped us with our children's school curriculum and testing over the years. **Pastor Rodney Haggett** was gracious to allow **Nathanael** to walk and graduate there. We then went to **Clearview Baptist Church**, our new sending church with **Pastor Rick Dawson**. He had me preach all day as his foot was swollen with gout. These folks welcomed our family so graciously! We were able to spend a little time with two of our children's families in Oklahoma City, and preach at **Beth Haven Baptist Church**, pastored by **Rick Carter**. I preached on, "Sound the Alarm - Our Inner Cities are Perishing!" This is where our son **Shane** and his wife **Jericho** go to church!

Please pray for us in June and July! In June we will be having our "**Gospel Preaching in the Park**". It is one week long with services each evening. An open air event with singing, testimonies of salvation, and preaching. Pray as **Justin** and **Stephanie** will be having a **Summer Volleyball League** with our teenagers and inviting other teens to come. We will have our **Teen and Junior Camps** in July! Pray God will use these events to see people saved and the saved to grow! Pray we can repair the air-conditioning in our two church vans before the Summer heat. We have had struggles with our building rent with people needing jobs, and a poor economy. Our offerings have been improving for which we thank God! **Pray for these needs with us! We appreciate your financial support as we serve the Lord in the inner city of New York City!**

In Christ,
