

The Dice Family

Church Planting Missionaries in New York City

Dear Pastors and Praying Friends,

February 1, 2022

Greetings from the land of the Nor'Easter! We had a big snowstorm Friday into Saturday. It was such a pretty sight for someone who grew up in Laramie, Wyoming!

We had a good last quarter of the year. We have seen a few new visitors coming. Marcella is a teen who contacted us wanting to come to our church. She was saved and baptized at First Baptist in Hammond. She has jumped right in being involved and faithful. Philip has been a faithful member for years, but since his retirement he has been spending some time witnessing in the park across from our church. Margaret is one such lady who came and attended services for a few weeks, then trusted Christ a Saviour! Pray for her! Billy and Rachel are from the Philippines who have been in our church for several years. They have begun working in our Children's Church. They are also now driving a church van to pick folks up for Sunday morning. It is so encouraging to see people step up and take responsibilities. I often say, "Many hands make light work!" Ethan is a teenager whose grandmother has come for a long time. He has gotten saved, is growing, and now helping with the PA system in the services.

Omicron seemed to hit here in NYC in sick first, then it went through our were sick when about four other families tests to confirm. We had one Sunday with livestreaming, during the small outbreak is saying it is down 90%. We know the trials and adversity. He is a very present cautious, so we are simply putting fliers in use us to reach the lost, and help people

December and early January. I became family. Though we never tested, we in our church contracted it with positive scaled down services, mainly we had at church. Now the local news Lord is helping and working through help in trouble! We are trying to be on doors in apartment buildings while it street. We are trusting in the Lord to grow in their spiritual lives.

God will raise people up to fill the gaps when others are no longer with us. Alan and Jamie Bradley are raising support to come plant churches in NYC. In the pictures he is the fearless one on the ladder, and you know who, is standing on firmer footing. Several men of the church helped us attach the sign to the brick wall. Alan's former job was at a sign company, and they produced this sign to replace our worn and faded awning. My sister Sheila has moved to the Kansas City, KS area to be with her son and his family. Sheila has been with us since 2000. We are very grateful for her many years of service to the Lord with us. We are happy for her to be able to spend some years with them, but do very much miss her with us. We covet your prayers for us and our ministry here! Thank you for your prayers and faithful support! We could not be here and continue to shine the glorious gospel of Christ without both your prayers and financial

support. God Bless you all!

In Christ,

Dana A. Dice
